meet & greet

Mine Çetinkaya-Rundel

Senior Lecturer, University of Edinburgh
Professional Educator & Data Scientist, RStudio
Associate Professor of the Practice, Duke Statistical Science
Chair, Section on Statistics and Data Science Education

> Your turn!

Turn to your neighbor and introduce yourself:

- > Name
 - > Affiliation
 - > Where are you in your career?
 - > What are your learning goals for this workshop?
 - > What is one characteristic of your most/least favorite teacher?
 - > What is one evidence-based teaching practice you have adopted in the last five years?
- What is one evidence-based practice you know about but haven't adopted and why not?
